

Dear EARLI members,

We would like to clarify that while the EARLI Board of Directors has decided **not to increase the registration fees** for the upcoming conference compared to EARLI 2023, we are now required by law to include **VAT (Value Added Tax)** on these fees.

Please note that this **additional VAT charge is not a profit** for EARLI. It is a mandatory tax that is collected and remitted directly to the Austrian Government. We are committed to ensuring that you continue to receive value for your money, with the same high-quality conference experience and opportunities that EARLI is known for.

We appreciate your understanding and support as we comply with these legal obligations, and we look forward to welcoming you to another successful conference.

EARLY BIRD FEE
