

Dear SIG 24 Members,

We hope you are looking forward to our meeting this week in Helsinki!

We are writing with an update regarding the keynotes. If you are unable to attend the meeting in person, the keynotes will be streamed (link below). All three keynotes will use the same link. The schedule and descriptions of the keynote presentations can be found on the meeting [website](#). The Zoom links will also be made available on the site 30 minutes prior to each keynote address.

Please feel free to share the keynote information with others in your networks who may be interested, as they are open to both members and non-members of the SIG.

Best wishes,

E, I, S, & K
