

Dear SIG 24 (Researcher Education and Careers) Members,

We are writing to send a reminder that the SIG Co-Coordinator and Junior Coordinator election is in progress. You have **until June 5th** to vote, if you have not already done so.

In order to vote, you need to log into the EARLI conference system (<https://conference.earli.org/>) and go to the 'SIG co-coordinator elections' in the right bottom corner of your menu (under the 'Polls' section). Once in the Poll, you can access candidates' information and goals by clicking to the white and blue arrow at the right of each name. Should you have any questions with the voting system, do not hesitate to contact us.

We'd also like to remind you to sign up for the **webinar on June 6th, 15.00-17.00 CEST**: <https://www.eventbrite.com/e/earli-sig-24-researcher-education-and-careers-summer-webinar-tickets-631842547067>
