2024 EARLI SIG 6 & 7 Conference – Acceptance rationale

The SIG 6-7 Organization has followed the following thresholds for accepting a proposal for the 2024 conference.

| Submission type	Score	Review decision
ICT Demo	Less than 65%	Rejected
	65% or more	Accepted
Poster	Less than 65%	Rejected
	65% or more	Accepted
Symposium	Less than 60%	Rejected
	60% to less than 65%	Split
	65% or more	Accepted
Single paper	Less than 60%	Rejected
	60% to less than 70%	Poster
	70% or more	Accepted
No-or-not-so-perfect data	Less than 60%	Rejected
	60% to less than 75%	Poster
	75% or more	Accepted

Please note that all scores refer to "combined review scores" (average of review scores).

All proposals at the thresholds and recommended for another format by reviewers were individually reviewed by the SIG 6-7 Organisation.

2024 EARLI SIG 6 & 7 Conference – Acceptance rationale
